

Arthur Conan Doyle: Beyond Baker Street (Hardback)

Filesize: 1.69 MB

Reviews

An incredibly great ebook with lucid and perfect explanations. It is actually rally fascinating through studying period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Josefina Yundt)

ARTHUR CONAN DOYLE: BEYOND BAKER STREET (HARDBACK)

Oxford University Press Inc, United States, 2000. Hardback. Book Condition: New. 236 x 173 mm. Language: English . Brand New Book. Arthur Conan Doyle (1859-1930) is best known for his Sherlock Holmes stories and novels, yet he considered them only a small part of his literary output. He expected to be remembered for his historical fiction, especially *The White Company*. He also wrote science fiction novels, short stories, and horror tales. He was knighted for a pamphlet he wrote justifying England's actions during the Boer War, in which he served as a physician in a field hospital. After one of his sons was killed during World War I, he turned to spiritualism for comfort. He became a prominent spiritualist, lecturing and writing frequently on the subject. This book--the first biography of Arthur Conan Doyle written for young adults--provides a lively account of the writer's fascinating life. Pascal considers the overlaps between the fictional Holmes and Watson and their creator, and draws a memorable picture of late Victorian society. Sidebars containing excerpts from Doyle's writings, and numerous photographs and illustrations invigorate the captivating narrative. Oxford Portraits is a new series of biographies for young adults. Written by prominent writers and historians, each of these titles is designed to supplement the core texts of the middle and high school curriculum with intriguing, thoroughly informative and insightful accounts of the lives and work of the notable men and women who helped shape history. Each book is illustrated with numerous graphics, photographs, and documents. A unique feature is the inclusion of sidebars containing primary source material, mostly excerpts from the subject's writings. A chronology, further reading list, and index rounds out every volume.
