THE PRIVATIZATION OF SPACE EXPLORATION: BUSINESS, TECHNOLOGY, LAW AND POLICY

Transaction Publishers. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.9in. x 5.9in. x 0.4in.Space was at the center of Americas imagination in the 1960s. President John F. Kennedys visionary statement captured the mood of the day: We choose to go to the moon in this decade and do the other things, not because they are easy, but because they are hard. The Apollo missions success in July 1969 made almost anything seem possible, but the Cold War made space...

Reviews

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).

Complete guide! Its such a good go through. It is rally fascinating throgh reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.

-- **Mrs. Macy Stehr**

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
