

## Precious Hope (Paperback)

Filesize: 7.65 MB

### ***Reviews***

*An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It's been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which actually transformed me, modify the way in my opinion.*

*(Libbie Farrell)*

## PRECIOUS HOPE (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SCI-FI-FAN, Dystopian, Apocalyptic, ADULT READ, SOME VIOLENCE TABOO, no erotica Precious Hope is a dystopian and apocalyptic science fiction fantasy that follows Greg as he attempts to rescue himself and a lost love, Lexi, from utter destruction within one week; the countdown to the only authorized escape launch. Greg s father helped design the annihilation of human life on Earth according to the plan of the voice, a sensory stimulation signal from an eons old satellite stationed above the Sun. The plan included cyborgs (machinoids and humanoids) and zombies; all created with brain transplant technology. The fragmentation of society by untold forces and factions is revealed along Greg s desperate flee. The power of circumstance to affect culture is exposed in the community enclaves. A miscreant boy joins him unexpectedly, and old contacts help along the way. Characters limited knowledge affects the plot progress, which leads readers through a couple unanticipated plot turns, constant intrigue, and some awkward moments. This is not spoon-fed story telling, nor is the book artificially long due to shameful fluff. Readers should expect to be challenged and constantly entertained.
