Reviews

*This pdf is wonderful. This can be for anyone who statted there had not been a well worth studying. You are going to like just how the writer write this pdf.
(Mrs. Adriana Schmidt V)*

FIRST MENTAL ARITHMETIC BOOK 4

Schofield & Sims Ltd. Paperback. Book Condition: new. BRAND NEW, First Mental Arithmetic Book 4, Ann Montague-Smith, First Mental Arithmetic provides carefully graded questions that develop children's essential mathematics skills. A downwards extension of the Schofield & Sims bestseller Mental Arithmetic, the series comprises three workbooks for Year 1 (Books 1 to 3) and three for Year 2 (Books 4 to 6). The term 'mental arithmetic' is usually associated with spoken questions. However, children using all the Schofield and Sims Mental Arithmetic materials read the questions themselves and write down their answers. A Language of Maths glossary helps to develop children's number vocabulary and three Check-ups assess children's understanding. The separate First Mental Arithmetic Answers provides answers to all questions contained in this book, plus additional resources for teachers. Book 4 includes: reading and writing two digit numbers, multiplication and division, halves, quarters and three-quarters, sorting objects, measuring lengths and reading scales.
