Brand New Book ***** Print on Demand *****.Parenting is not brain surgery, but is infinitely more difficult if it can't be appreciated as an opportunity, a gift from God, and the potential for joy ignored. That is why Dr. J. Keith Houff penned *Joyful, Yet Effective Parenting: Pray and Laugh Daily*. This riveting book develops parent skills and an attitude for more effective parenting by helping children's caretakers understand the consistency between neuroscience, attachment research, and teachings from the Bible that can transform family relationships. Parents will learn to establish and maintain a healthy and nurturing relationship with their child. The information in this book was developed through observation, consultation and prayers of hundreds of effective parents spanning the professional careers of the author and his wife. Keith Houff is the Regional Director of People Places, Inc. Valley Offices, Staunton, Virginia where he is a licensed professional counselor. For over 30 years, he has worked with foster, adoptive and biological parents and their children. He received his doctorate in counseling psychology from Virginia Tech in 1985 and is a member of the American Mental Health Counselors Association and American Association of Christian Counselors. As a part of his professional career, he has co-authored a parent curriculum and has led parent trainings in Virginia, New York, Illinois, Tennessee, and Georgia. Keith is a stage four cancer survivor celebrating 10 years of being disease free. Sharing his life with his wife of 37 years, Sarah, they have three adult children and two grandsons.
