## MICHAEL: AN ENDTIME SIGN (PAPERBACK)

Virtualbookworm.com Publishing, United States, 2010. Paperback. Book Condition: New. 280 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Michael An Endtime Sign is a story that caters to the whole family, as well as teens. It builds faith at a time such as now when our hopes and dreams are being crushed almost daily by the economy and healthcare reform, as well as rising costs in medical insurance and treatments. Tammy, age 22, after five specialists said that it was impossible for her to have a baby wouldn't give up. She turned to prayer. Her mother received three visits from the Archangel Gabriel. The same angel that announced the birth of Isaac, John the Baptist and her own savior, Jesus Christ, recorded in the King James Bible. This angel revealed conception, birth, and their move to Virginia when the baby boy was fifteen months old, for his protection. Talk about faith and hope! This book is so compelling that it will raise your level of faith to a ten. This miraculous birth and saddening death make for a definite must-read. Michael, age nineteen, was shot and killed in his home on June 21, 2008. After his death his grandmother said the Lord spoke to her and told her to write this book and publish it for the world to read, for he surely was an Endtime Sign for his generation and the generations to come.
