JALYATRA, A JOURNEY THROUGH INDIA S WATER WISDOM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Despite having surplus water, and one of the world s richest traditions of managing it, India s water crisis has reached critical levels. It describes the specifics of the main traditional water systems in these areas: How they evolved in sync with the local geo-climatic conditions, and the intricate management institutions that developed simultaneously. It shows...
