A HANDBOOK OF COURT PROCEDURES IN INDIA

New Century Publications, New Delhi, 2001. Soft cover. Book Condition: New. First. 14 cms. 104pp. There is a general feeling among Indians that resorting to court proceedings leads to empty-wallets and heavy heads. This feeling is partly attributable to lack of awareness among common folk about court procedures in India. The present work is an attempt to bring this basic awareness in the litigant?s mind that courts are meant to serve the people by providing the necessary relief. Basic knowledge of court procedures has become a necessity in the modern complex societies. This work envisages a utility not only for the general public but also for the students of law who enter the courts with no knowledge of court procedures.
