A unique fitness program from a highly respected spiritual leader that blends physical and spiritual practice for everyone - regardless of age, spiritual background, or ability - to great benefits for both body and soul. As a Tibetan lama and leader of Shambhala (an international community of 165 meditation centers), Sakyong Mipham has found physical activity to be essential for spiritual well-being. He s been trained in horsemanship and martial arts but has a special love for running. Here he incorporates his spiritual practice with running, presenting basic meditation instruction and fundamental principles he has developed.
