Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, The Northern Enchantment: Norse Mythology, Earth Mysteries and Celtic Christianity (1st New edition), Margaret Jonas, The idea of 'north' suggests much more than wintry cold, ice and snow. To many, it hints at something magical, enchanting and mysterious. This book explores the spiritual aspect of this attraction through a survey of ancient history, Norse mythology and contemporary studies of earth mysteries and sacred sites. From her detailed research, Margaret Jonas traces the birth of Celtic Christianity in the British Isles, Ireland, Scandinavia and Germany, revealing a time when ancient prophecies relating to the sun and divine beings came to fulfilment. A new spiritual wisdom gradually spread across Europe - not only from the south northwards, but also from west eastwards. The author describes how a paradisiacal element from the earliest stages of earth evolution was preserved and nurtured in hidden places associated with the northern mysteries. This fascinating work of accessible scholarship features chapters on Hyperborea, Thule and Apollo; the Druids and Odinic Mysteries; Norway and the Celtic Christian Legacy; the Number Five and the Etheric Body; the Externsteine and the God Vidar, and Finland. The book concludes with hints of a future time when northern magic will be transformed, and 'new clairvoyant faculties will be within the reach of all humanity'.
