Random House USA Inc, United States, 2013. Paperback. Book Condition: New. 173 x 107 mm. Language: English . Brand New Book. An absorbing adventure. Publishers Weekly (starred review) Former Aerial Corps captain Will Laurence and his faithful dragon, Temeraire, have been put out to pasture in Australia and it seems their part in the war has ended just when they are needed most. The French have invaded Spain, forged an alliance with Africa s powerful Tswana empire, and brought revolution to Brazil. With Britain s last desperate hope of defeating Napoleon in peril, the government that sidelined Laurence swiftly offers to reinstate him, convinced that he s the best man to enter the fray and negotiate peace. So the pair embark for Brazil, only to meet with a string of unmitigated disasters that forces them to make an unexpected landing in the hostile territory of the Incan empire. With the success of the mission balanced on a razor s edge, an old enemy appears and threatens to tip the scales toward ruin. Yet even in the midst of disaster, opportunity may lurk for one bold enough to grasp it. Captivating . . . compelling reading . . . [an] action-packed narrative [with] lively, uniquely drawn characters and intriguing takes on history. Includes a preview of the next book in the Temeraire series, Blood of Tyrants.
