AUTHORHOUSE, United States, 2012. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Horn of Plenty, is a cornucopia, producing much fruit from the flora of the United States Virgin Islands. A fruity book coming with a lot of anxieties, it is loaded with stories galore - some laughable and others designed to produce a serious face. With so many fruits in the cornucopia, Horn of Plenty, could easily have been called a fruit compote. How did I work it into my repertoire? Very easy. Aided by a Virgin Islands totalitarian governmental system and the many oppressors therein, made writing this book a piece of fruit cake.
