Brand New Book ***** Print on Demand *****.Excerpt from Syndicalism and Philosophical Realism: A Study in the Correlation of Contemporary Social Tendencies The reader must judge as to the justice of the leading position maintained throughout the following chapters. To the writer the case is perfectly clear. It seems to him that much current philosophy would, if true, essentially justify what is sometimes spoken of as the new philosophy of Labour. The primary intention of the book is simply to point out this fact; a fact which, if genuine, would seem to be of some importance for the deeper understanding of our times.
