Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

Excerpt: . getting through the year anyhow, without being blamed. For the year leaves a stamp on everybody--this for the Nurses as well as the Ladies--and once gone can never be regained. To the Special Probationers may I say one more word? Do we look enough into the importance of 70 STUDYING THE CASES Hi giving ourselves thoroughly to study in the hours of study, of keeping careful Notes of Lectures, of keeping notes of all type cases, and of cases interesting from not being type cases, so as to improve our powers of observation--all essential if we are in future to have charge? Do we keep in view the importance of helping ourselves to understand these cases by reading at the time books where we can find them described, and by listening to the remarks made by Physicians and Surgeons in going round with their Students? (Take a sly note afterwards, when nobody sees, in order to have a correct remembrance.) So shall we do everything in our power to become proficient, not only in knowing the symptoms and what is to be done, but in knowing the Reason Why of such symptoms, and why such and such a thing is done; and so on, till we can some day Train Others to know the reason why. 1 Many say: We have no time; the Ward work gives us no time. But it is so easy to degenerate into a mere drudgery about the...
