Guardian Books. Paperback. Book Condition: new. BRAND NEW, Two Wheels: Thoughts from the Bike Lane, Matt Seaton, Cycling is going through a revolution. Over half a million of us take to our bicycles every day and, as a result, the public image of cycling has been transformed. No longer the preserve of the marginal and eccentric few, it's now considered cool to travel on two wheels. Guardian journalist Matt Seaton is one of cycling's greatest advocates. An out-and-out bike nut, he rides to work during the week, races at the weekend and has even been known to attend transport policy conferences in between. In this collection, Seaton not only explores a nation's rediscovered love of cycling, he also investigates the issues that affect all cyclists, from potholes and town planning to cycling etiquette and aesthetics. Whether you're a commuter or a competitive racer, a recreational rider or a cycle tourist, this book will prove irresistible - and enlightening - reading.
