 Review of the first edition a fine and refreshing collection of articles! Each chapter is integrated closely with the others, [making] The Excellence of Play easy to dip into as well as presenting readers with the opportunity to read in more detail about aspects of play theory in practice that particularly interest them! This is exactly the kind of practical information and structure that teachers need. BERJ the book is highly recommended for both students and practitioners who are interested in developing their understanding of play in early childhood. Early Years journal This second edition of The Excellence of Play encapsulates all the many changes that have taken place in early childhood in the last decade. It examines the vital importance of play as a tool for learning and teaching for children and practitioners, supporting all those who work in early childhood education and care in developing and implementing the highest quality play experiences for young children. All the contributors are experts in their fields and all are passionate about the excellence of...

### Reviews

*Comprehensive information! Its this sort of excellent read. I could possibly comprehended every little thing out of this published e pdf. You wont sense monotony at at any moment of your time (that's what catalogs are for about when you ask me).*

-- **Prof. Mauricio Howe III**

*I actually started off looking over this publication. Indeed, it really is play, nevertheless an amazing and interesting literature. Its been printed in an exceedingly basic way and is particularly just right after i finished reading this ebook by which actually altered me, affect the way i believe.*

-- **Toney Bernhard**
