Thought he latter may be only vaguely familiar to is, or sometimes even totally unknown, these works have often drawn millions of viewers to cinemas in their own countries, crowned the careers of gifted actors and actresses, or reflected political and social upheavals that have had planetary repercussions. They have triumphed at prestigious international festivals and inspired the styles and themes of American and European cinema. Film-by-film, this unique collection presents a concise survey -- for the first time in such an integrated form -- of the best Spanish-language cinema.
