Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 220 x 144 mm. Language: English . Brand New Book ***** Print on Demand *****.I am an independent mobile app entrepreneur just like you, and I wrote this book to teach you all my strategies for how to: - Get 100,000s of downloads from mobile app store marketing - Save money by doing your own ASO (search engine optimization SEO for Android and the Apple App stores) better than most consultants you might consider hiring - Create an app marketing strategy outside the app stores by getting press coverage and learning how to promote an app using social media and social sharing - Make money with effective app store monetization to help you maximize your app revenue with subscriptions, in-app purchases, publishing effective ads, selling affiliate products and other strategies used by successful mobile app businesses - Create a successful mobile app business I wrote this book with all my heart and soul. The book draws on my own years of experience building top apps in my niche, promoting apps, making money with my apps, and then coaching other app entrepreneurs on how they can make turn their mobile apps into successful businesses. So you, my dear reader, are hopefully getting the best of all worlds. First, I have very deep hands on experience building and growing apps. Second, I have a wealth of experience coaching and observing other app entrepreneurs whose experiences and aspirations are probably very similar to yours. I share all that in this book. This is a very to the point book with many actionable tips and strategies for how to promote your mobile app (iPhone or Android), make money from your smartphone applications, and generally treat it as a real business. All suggestions in...
