Reviews

This type of book is everything and helped me seeking forward and a lot more. We have go through and so i am confident that i will planning to read again again later on. You will like just how the blogger create this ebook.

(Lilla Stehr)

THE SENSORY DECEPTION

BRILLIANCE AUDIO, United States, 2013. CD-Audio. Book Condition: New. Unabridged. 165 x 140 mm. Language: English . Brand New. I can t believe I ate a seal. And really enjoyed it. Moments after venture capitalist Gloria Baradaran experiences what it s like to be a polar bear really be a polar bear she knows she s found something revolutionary. Farley Rutherford and his team migraine-tortured neurologist Chopper Vittori and uber-geek engineer Ringo Hayes have created sensory saturation, a virtual reality system that drops users into the psyches of endangered animals as they fight for survival, and they believe the profound experience could turn the indifferent masses into avid environmentalists. The Sensory Deception is a mind-blowing, globe-trotting ride that will take listeners from cutthroat Silicon Valley boardrooms to pirate ships off the Somali coast to the devastated rain forests of the Amazon, all to ask the question: What is a human life worth compared to that of an entire planet?.
