Bottomline Media, United States, 2015. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.God s Heart for the Nations rips apart the old, traditional understandings of God s plan and purpose for our lives. In eight lessons, author and global activist, Jeff Lewis, lays bare the heart and mind of God as he combines powerful Bible passages with challenging and provocative questions. Each lesson is followed by a time of meditation (Selah) and a focus on an unreached people group. If you really knew the heart and mind of God, would you dare to follow him? Author Jeff Lewis is a global activist connecting followers of Christ with his global mandate. Jeff is Assistant Professor of Intercultural Studies at California Baptist University. He also teaches and consults with churches on seamlessly integrating God s heart for the nations into their church framework. Jeff and his wife Elaine live in Southern California and have seven children and eight grandchildren.
