House of Anansi Press. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 10.8in. x 8.4in. x 0.5in. John Mightons JUMP program is changing the way math is taught, and his powerful math workbooks give children the tools they need to master this crucial subject. The key is a step-by-step teaching method that isolates and describes concepts so clearly that anyone can understand them: students build on their successes, becoming proficient at solving problems with confidence and enthusiasm. Now, parents and caregivers can bring the JUMP program home. These workbooks follow the current student worksheets used by JUMP tutors and classroom teachers, including: an introduction for parents and caregivers that clearly explains the thinking behind the program and provides hours of activities, worksheets carefully designed to enable children to move from one success to the next, a glossary of math terms, and a selected answer key. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
